

YWCA SWIM LESSON

SCHOLARSHIP APPLICATION

SCHOLARSHIP APPLICATION

YWCA Central Maine is dedicated to eliminating racism, empowering women, and promoting peace, justice, freedom, and dignity for all. All of YWCA's health and wellness programming centers culturally appropriate and empowering opportunities. Seeking to end the racial and economic disparities in drownings, we provide swim lesson and lifeguard training scholarships for those most impacted.

SWIMMER INFORMATION

First Step: The first step of the application is to create a RecDesk account for your swimmer, if they don't already have one. This is required to be considered for a scholarship and provides us with the necessary information we need to assess whether we can offer you a scholarship. You can find a link to RecDesk on [our website](#), click the link [here](#), or copy/paste the link below into your browser.
